

## Appendix B: Leadership and Alignment Teams

### Leadership Team

#### Coordination Leadership Team

Dana Anderson, Assistant Superintendent, ESD 113  
 Sonia Siegel-Vexler, Washington State LASER Acting Co-director, Pacific Science Center  
 Cheryl Lydon, ESD Statewide Mathematics/Science Coordinator, PSESD  
 Mary McClellan, Science Education Consultant  
 Terrie Geaudreau, Director of Math and Science, ESD 105

Project manager: Mary McClellan, Science Education Consultant

Regional Leadership and Development of Electronic Tool: Mike Brown, ESD 105

#### Planning and Development Team:

Sonia Siegel Vexler-Washington State LASER Acting Co-director, Pacific Science Center  
 Peggy Willcuts- STEM Education Leadership, Outreach & Program Research  
 Science & Engineering Education, Battelle/PNNL  
 Mark Lewis-Director, Science & Math Ed. Resources Center, ESD 112  
 Mark Watrin, Co-Director, Southwest Washington State LASER Alliance  
 Adrienne Somera, Science Coordinator, NW ESD  
 Georgia Boatman, Regional Science Coordinator, ESD 123  
 John Parker, Director of Instructional Leadership & Math, Science, and ELL  
 Puyallup School District  
 Craig Gabler, Regional Science Coordinator, ESD 113 and Washington State LASER  
 Alliance Director  
 Dixie Reimer, Science Instructional Coach, No. Thurston School District  
 Michael Brown, Regional Science Coordinator, ESD 105  
 Wendy Whitmer, NE Washington State LASER Alliance Co-Director and Science  
 Specialist, NEWESD 101

### FOSS Alignment Team-Wendy Whitmer Regional Team Leader

Alignment teacher	School District	Module Aligned/Vetted
Keith Johnson	Evergreen Public Schools	Populations and Ecosystems
Kirsten Kramer	Snoqualmie School District	Chemical Interactions Weather and Water
Dennis Overbay	Nine Mile Falls School District	Planetary Science Earth History
Amy Pace	Battle Ground School District	Diversity of Life
Sarah Pooler	NEWESD 101	Weather and Water
Jeana Simpson	Nine Mile Falls School District	Diversity of Life Populations and Ecosystems
Sylvia Smith	Teacher-Retired Spokane Public Schools	Diversity of Life Populations and Ecosystems Weather and Water Chemical Interactions
Ricke Swaim	Inchelium School District	Earth History Planetary Science

**SEPUP Alignment Team-Dixie Reimer and Mary McClellan Regional Team Leaders**

<b>Alignment teacher</b>	<b>School District</b>	<b>Module Aligned</b>
Liz Beal	Puyallup School District	Earth in Space Exploring the Solar System
Scott Bosen	Puyallup School District	Earth in Space Exploring the Solar System
Quinn Crowell	North Thurston School District	Evolution Water
Matt Davis	South Kitsap School District	Plate Tectonics Erosion and Deposition
Chaseley Garcia	South Kitsap School District	Erosion and Deposition Plate Tectonics
Jenna Glock	North Thurston Public Schools	Energy Water
Jenny Goin	North Thurston School District	Force and Motion Studying Soil Scientifically Rocks and Minerals
Carrie Junke	Issaquah School District	Body Works (My Body, Myself) Cell Biology and Disease (Microlife)
Sue Koontz	North Thurston School District	Ecology Evolution
Cindy Lewis	Tukwila School District	Genetics (Our Genes, Ourselves) Energy
Vicki Leonard	North Thurston School District	Genetics (Our Genes, Ourselves) Ecology
Shani Newman	Tukwila School District	Body Works (My Body, Myself) Cell Biology and Disease (Microlife)
Anne Schaadt	North Thurston School District	Studying Soil Scientifically Rocks and Minerals Studying People Scientifically
Rich Wind	North Thurston School District	Studying People Scientifically Force and Motion

**STC/MS Alignment Team-Mike Brown Regional Team Leader**

<b>Alignment teacher</b>	<b>School District</b>	<b>Module Aligned</b>
Lori Birge	Arch-Dioceses of Yakima	Catastrophic Events
George Graf	Grandview School District	Energy, Machines & Motion
Dorothy Hostler	Selah School District	Light Organisms: Micro to Macro
Tony Hyatt	Naches Valley School District	Human Body Systems
Colleen Kinney	West Valley School District	Light
Mechelle LaLanne	Thorp School District	Catastrophic Events Properties of Matter
Brian Lund	Yakima School District	Earth in Space Organisms, Micro to Macro
Clif Marr	Sunnyside School District	Earth in Space Properties of Matter
Dawn Sparks	Thorp School District	Energy, Machines & Motion
Midge Yergen	West Valley School District, Yakima	Human Body Systems
